

Officiating Pedigree Analysis – FUTURE BROODMARE SIRES

Jane Henning (Pedigree Dynamics)

ALL TOO HARD's damsire Desert Sun is by Green Desert, a grandson of COURTLY DEE. Officiating's grandsire Arch also traces to COURTLY DEE, creating desirable line breeding to this influence. There are three instances of Northern Dancer / Never Bend crosses in this mating, via Officiating's grandsire Arch and in All Too Hard, via Last Tycoon and Green Desert. Two sons of Danzig in All Too Hard sex balance the daughter (dam of Arch) in Officiating.

Through his sire I Am Invincible, **BRAZEN BEAU** carries Green Desert, who like Officiating's grandsire Arch, traces to COURTLY DEE. I Am Invincible also carries Kris, a brother to Diesis in Officiating's pedigree. Two sons in Brazen Beau's pedigree sex balance Danzig, with Arch being out of a daughter of Danzig. He also carries a daughter of Nearctic, balancing the presence of five lines to Nearctic's son Northern Dancer in Officiating.

CHOISIR mares offer another line to Sharpen Up, damsire of Danehill Dancer. The latter is by Danehill, a son of Danzig to sex balance the daughter in Officiating. Further back, there are duplications of speed influences Grey Sovereign and Tom Fool.

DEEP FIELD mares offer two lines to SPECIAL, represented twice in Officiating. Via his sire Northern Meteor, Deep Field offers Fairy King as well as his own tail female line to this family. Northern Meteor's second dam Scuff is a sister to Special, not only dam of Sadler's Wells (in Officiating) and Fairy King, but also Officiating's sire Blame's granddam Bound.

Carrying Sadler's Wells and his three-quarter brother Nureyev, **DUNDEEL** strongly reinforces the SPECIAL branch of the Goody Two Shoes family, represented in Officiating by his sire Blame and another line to Sadler's Wells. Dundee's sire High Chaparral also carries Kris, a brother to Diesis further back in Officiating's pedigree.

PIERRO carries Sadler's Wells, Nureyev and Val De Loir, all GOODY TWO SHOES family members, shoring up Blame and Sadler's Wells in Officiating. Beneficially, Sadler's Wells is sex balanced, being represented by son Fort Wood in Officiating and daughter Sky Song in Pierro. A triplication of Never Bend plus his half brother Bold Reason in Pierro, boosts the presence of Never Bend and Bold Reason in Officiating.

PRIDE OF DUBAI is a son of Street Cry, a daughter of whom has produced a US G1 winner (Wet Paint) by Officiating's sire Blame. His grandsire Machiavellian, Halo and damsire Danehill along with a line to Northern Dancer, provide strong reinforcement of the ALMAHMOUD family, represented by five lines to Northern Dancer in Officiating.

A son of Encosta De Lago, **RUBICK** carries Fairy King up close to complement the presence of his brother Sadler's Wells and half sister Bound (granddam of Officiating's sire Blame). Rubick's tail female line plus Nijinsky II in Rubick will appreciate the presence of another line to Nijinsky II in Officiating – both individuals tracing to TORPENHOW. Mr Prospector and Danzig are both desirably sex balanced in this cross.

SHAMUS AWARD carries Storm Bird and Nijinsky II (twice), a recognised nick. Officiating offers another line to Nijinsky II to accentuate this cross. Shamus Award also carries Redoute's Choice to boost the triplication of fellow TORPENHOW family member Nijinsky II, and a son of Danzig to create a sex balanced duplication.

Another damsire to connect with Officiating's key patterns is **STAR WITNESS**. Nureyev on his sire line meets with his three-quarter sister Bound – granddam of Officiating's sire, Blame. This is also the family of Sadler's Wells, present further back in Officiating. Try My Best, sire of Last Tycoon in Star Witness, traces to TORPENHOW, as does Nijinsky II in Officiating. Further back, there are duplications of Danzig (sex balanced), Never Bend, Buckpasser and Nashua.

Carrying Sadler's Wells up close, **TORONADO** reinforces the Blue Hen mare SPECIAL, represented in Officiating by his sire Blame and another line to Sadler's Wells further back. His damsire Grand Slam is out of a mare by El Gran Senor, a relative of Nijinsky II in Officiating. In addition, Toronado's sire High Chaparral carries Kris, a brother to Diesis in Officiating's distaff pedigree.

ZOUSTAR mares can exploit Officiating's pedigree strengths via his sire Northern Meteor's tail female line and his grandsire Fairy King, sharing the taproot mare ROUGH SHOD with Officiating's sire Blame and Sadler's Wells further back in his pedigree. Redoute's Choice and Nijinsky II boost the presence of Nijinsky II in Officiating, being from the same family. The Mr Prospector / Forli / Nantallah cross in Northern Meteor's dam is repeated in the pedigree of Blame's dam Liable for further effect.
